

Dear Neighbor,

Our community park improvements are well underway! We are grateful for our volunteers who have worked to get things started on the needed improvements. We are asking you to consider donating to our Park Revitalization Campaign. We are currently collecting donations from the businesses that support Swann Keys all year. We will be recognizing all of our supporters in various ways in the park.

Imagine what the Park can be, if every one of our 606 property owners donated toward the Park Revitalization Campaign. The diagram on the last page contains some of our goals.

Please see the level of sponsorships and add your name to our list of supporters that will be displayed in our newly renovated community park.

Please make checks payable to Swann Keys Sports Club and mail or drop off in the office. **YOUR GIFT IS TAX DEDUCTIBLE.** Please help us improve this wonderful asset in our community for our children and grandchildren.

Those who rent their properties will benefit from these improvements as their guests will have amenities that may not be available at other rental properties.

Thank you in advance for your support with this very important project.
