

After filing a Request for Exception with the State of Delaware, SKCA was granted an exception to allow greater than 25 attendees to attend indoor meetings by The State of Delaware, Public Health Treatment Program Administrator, and Health System Protections Department on Friday, March 26th, 2021.

The Exception is for BOD / Annual Meetings in April, and May. After considering our plan, space and configuration of the Community Center, HSP has approved 45 participants (MAX) in the Community Center for the events requested. The SKCA Board is taking requests to attend the in person meetings. In the event that the State of Delaware relaxes restrictions, the SKCA Board will use the higher number of the petition or current restrictions to determine the number of participants. Tickets will still be required.

Board Members, special guests, COVID Monitors, Ladies Aux, Sports Club Chairs and presenters will be assigned tickets first. The BOD will not discriminate in the assignment of tickets and selection will be purely random.

Individuals requesting attendance will be notified by email (or a call) with a Ticket if the meeting requests have not be exhausted or you have been randomly selected to attend. Emails with a ticket, COVID screening form and instructions on attending will be sent 6 days prior to the meeting for those selected. Only individuals selected will receive emails.

Selections will be made a random program selection if the requests exceed the space available. Residents without computers or having issues with this form can call the SKCA Office. Their names will be entered into the form for them.

All SKCA Members can attend the meetings via a Webex Teleconference.
