

## **Swann Keys Civic Association Covid Pool Guideline and Restrictions.**

**May 19, 2021**

### **Summary of Precautions**

**The Swann Keys Civic Association, Board of Directors has planned for and taken all precautionary measure to open our pool within the guidelines and parameters established by the State of Delaware and the Center for Disease control.**

**SKCA has contracted with Premier Lifeguard and Pool Management to provide Pool Attendants/COVID Monitors, Lifeguards and Pool testing/maintenance. Premier is responsible for the hourly testing and quality of the pool water and safety of pool occupants. pH and disinfectant residual is being measured every one (1) hour in order to ensure proper level to inactivate the virus in the water.**

**Premier Lifeguard and Pool Management (Pool Monitor, Not Lifeguard) are responsible for enforcing COVID-19 guidance on the pool deck area during all operating hours.**

**Beachside Cleaning and Property Maintenance, has been contracted to professional sanitization of the Bathrooms and other high-touch areas that the Pool users will come in contact with.**

**SKCA has written guidelines, rules and signage that will be used in conjunction with opening the pool.**

### **COVID-19 Guidance for Public and Private Community Swimming Pools**

- Follow CDC guidelines for vaccinated and unvaccinated persons:  
<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>
- The pool should have a **written plan** documenting plans and procedures to help protect staff and swimmers, both in and out of the water, and prevent the spread of COVID-19.
- Develop a plan for isolating and, if needed, arranging transportation for anyone who develops symptoms while at the facility, cleaning, and disinfecting areas used by the sick person, and notifying Division of Public Health and close contacts.
- Designate a staff member to be responsible for responding to COVID-19 concerns. All staff and swimmers should know who this person is and how to contact him or her.
- Encourage all staff, guests, and swimmers to wash hands often (with soap and water for at least 20 seconds) and cover their coughs or sneezes. Have hand sanitizers (contain at least 60% alcohol) available for staff, guests, and swimmers.
- Increase ventilation, intake of outdoor air and exhaust of indoor air, to reduce the concentration of virus particles in indoor air.
- Provide adequate supplies in support of preventing the spread of COVID-19. Supplies include face coverings, soap and water, paper towels, tissues, and hand sanitizers.
- Swimmers should review signs and symptoms of COVID-19 before heading to the pool. They should be advised to not enter the pool area if they are experiencing symptoms.
- **Permitted Pools** must maintain and adhere to all the provisions in the Delaware Public Swimming Pools Regulation.

**Contact your county field office or email questions to:**
